G4

Since its inception 12 years ago, the G Series has been modified to make you feel like you are travelling in the utmost luxury and comfort. Now available in 21' and 22' models with eight different layouts, our highly skilled design team have ensured that the G4 meets and surpasses the companies' principles of ensuring the highest build quality, and most recent innovation in design and technology.

Luxury on-road living comes alive with this feature packed van, including extended leather upholstery with extenda seats, black stylish tapware, and grey water tank as standard. The list of added features goes on, so why wait? Visit your local Franklin dealership today and [Get Connected to Your Lifestyle].
